EDUCATION

Full Stack Web Development
10/2019-12/2020

DCI Digital Career Institute, Berlin, Germany

- One year intensive-full-time training including technologies from MERN stack
- Conceptualized and completed over 25 clean coded projects individually
- Planned and collaborated on multiple projects using GitHub version control and various channels for communication
- Successfully mediated and solved conflicts, learning the value of teamwork and the importance of team-management

Bachelor of Laws
10/2010-07/2014

Alexandru Ioan Cuza University, Iasi, Romania

- General graduation degree: 9,87/10
- Researched, prepared, and formulated complex solutions for cases, individually or co-authored
- Discussed and debated various core subjects during seminars
- Composed and conducted individual presentations
- Mastered the ability to draft formal documents

RELEVANT EXPERIENCE

Software development Intern
12/2020-present

Simplo, Tradelane Solutions GmbH Berlin, Germany

- Focusing on full-stack development in JavaScript using React Native for the Simplo mobile and web applications

European Voluntary Service
07/2016-12/2016

Kindervereinigung e.V. Seelow, Lebus, Germany

- Taught English classes, guided over 70 Polish and German children, refugees, and children from disadvantaged backgrounds
- Gathered first-hand experience on how organizations work while implementing and leading over 20 workshops and games for children
- Analyzed and successfully improved the expense management

Project Assistant
02/2016-06/2016

Pro Event Association, Iaşi, Romania

- Planned and organized 6 international conferences in collaboration with my team and resolved several unexpected obstacles
- Communicated with key speakers, facilitating their participation through negotiation; increased the number of international speakers by 10%
- Established media contacts, authored and proposed content for press releases, newsletters, and grant applications

Member and Vice President
03/2011-08/2014

ELSA European Law Students' Association, Iaşi, Romania

- Coordinated a team of 30-40 people and organized over 15 successful projects in 6 months as Vice President of Seminars and Conferences 08/2013-08/2014
- Instructed over 30 recruits, gaining hands-on leadership experience
- Mediated conflicts between the department members
- Doubled the number of national conferences
- Troubleshot and eliminated impediments as a member of different working groups
